God our Father has created us for a purpose and mission. He has not left us “orphans” but has given us protection and help on our life’s pilgrimage. Come discover the world of angels and antibodies as we deepen our faith in things unseen.

Presenters: **John Lalley, MTS.** An Engineer and Lay Catholic Minister who holds a Masters Degree in Theological Studies from the John Paul II Institute in Washington D.C. John has done extensive study on St. Thomas Aquinas’ theology on angels and offers workshops on the topic. **Thomas Graves, MD.** A Medical Doctor and Lay Catholic Minister will offer insight into the world of antibodies and how our bodies fight off disease. Dr. Graves will only be on the Thursday Zoom Sessions. Facilitated by Curtis Kneplik, Director of Adult Faith Formation.
